Wes,

Sure, no problem. I'll fax a copy over to you right now. I'll send it to 404-562-8439.

I have a favor to ask of you. The Director's office is asking for a copy of the letter EPA has just sent to GE. Would you fax us over a copy ASAP? EPD has not received a copy of this letter.

Ken

Ken,

Can you send over a copy of the Coosa River comments attached to the EPD letter to GE dated September 19, 2003? The cc copy we received did not have this attachment.

Thanks,

Wes Hardegree
